

## **SCENE 1 - THE ALBERT DOCK**

*Enter ELFIS PRESLEY, GARY STARLOW, JUSTIN TINKERLAKE, PIC-Z.*

ELFIS PRESLEY

Hello everyone! (*Hello*) Oh, did everyone go home in the interval? Cause I can't hear you... I said hello everyone! (*Hello*)

PIC-Z

You're probably wondering where's Charlie Poof gone? Why are there only four of you?

GARY STARLOW

You guessed it... he's on the toilet again. Honestly, we should rename that man Charlie Poop. And not just because he's a poop singer.

*Enter CHARLIE POOF.*

CHARLIE POOF

Hey! I heard that!

JUSTIN TINKERLAKE

Let's debrief then... what happened in the first half of the show?

CHARLIE POOF

We were first introduced to the amazing Wand Direction (that's us). I'm Charlie Poof.

ELFIS PRESLEY

I'm Elfis Presley.

PIC-Z

I'm Pic-Z.

JUSTIN TINKERLAKE

I'm Justin Tinkerlake.

GARY STARLOW

And I'm Gary Starlow.

ELFIS PRESLEY

Next, we were introduced to Snow White and her best friend Bottom - secretly, these two are in love with each other.

GARY STARLOW

Snow White must be like dandruff. Cause Bottom just can't get her out of his head.

JUSTIN TINKERLAKE

Don't forget about Nana White!

GARY STARLOW

Oh yes, how could I forget? We were introduced to Snow White's grandma, Nana White, too.

PIC-Z

Next, we were introduced to Donald Flump, owner of Liverpool's best sweet shop - Washington Sweet-E. Upon meeting Snow White, he realised he was also in love with her.

CHARLIE POOF

Oh gosh, not a love triangle!

PIC-Z

Stay with us, Charlie. It's getting complicated.

GARY STARLOW

Donald Flump went home to tell his parents, Queen Eve L and King Mal Icius, about Snow White. But they were not impressed.

CHARLIE POOF

Queen Eve L believes she is the fairest in all the land.

JUSTIN TINKERLAKE

'Fair' is old slang for prettiest, by the way.

ELFIS PRESLEY

So, Queen Eve L called on her magic mirror to see who was the fairest in the land - and it was Snow White. So, she did what any sensible person would do...

GARY STARLOW

She sucked it up because looks aren't everything?

ELFIS PRESLEY

No. She plotted to kill Snow White. Thrilling, huh?

PIC-Z

But Donald Flump got too distracted singing 'Bye Bye Bye' by NSYNC and so Snow White was able to run away to Childwall Woods and escape to a nearby cottage which she thought was empty. Little did she know it was filled with seven scousers!

CHARLIE POOF

Angel, Chanel, Chantelle, Shaniqua, Julie, Petunia and John.

JUSTIN TINKERLAKE

When Queen Eve L heard that Snow White was still alive, she knew she had to take matters into her own hands. So, her, King Mal Icious and Donald Flump prepared a disguise.

ELFIS PRESLEY

But what did they need a disguise for?

GARY STARLOW

So they could go to the cottage and kill Snow White once and for all without her recognising them!

PIC-Z

This is where we come in - we warned Bottom of their evil plans and so Bottom has also gone on his way to the cottage in order to save Snow White!

CHARLIE POOF

It's a race against time... who will get there first?!

JUSTIN TINKERLAKE

Oh, I'm on the edge of my seat!

ELFIS PRESLEY

We're at the Albert Docks now (can't you tell by our amazing, high budget set?) and we're on the lookout for Snow White. I can't see anything...

JUSTIN TINKERLAKE

Is that? A pirate ship?! In the Albert Docks?! Who on earth would be disguised as a pirate?

ALL FIVE

Transition...

*Twinkly music. A blue cloth fills the stage. 'Water gag' begins - behind the cloth is QUEEN EVE L, KING MAL ICIOUS, DONALD FLUMP and THE MAGIC MIRROR.*

*'Under The Sea' plays. A ship appears on top of the sea, sailing along. DONALD FLUMP pops up, with a rubber dingy around his waist. QUEEN EVE L and KING MAL ICIOUS pop up, they have cocktails in their hand and are sipping away.*

*'Jaws Theme' plays. A shark fin appears and is creeping towards the ship.*

*Back to 'Under The Sea' - KING MAL ICIOUS pops up and is looking through a telescope the wrong way. DONALD FLUMP pops up and turns it around for him, he whacks him on the head.*

*ALL FOUR pop up and spray the audience with water guns. DONALD FLUMP gets shot in the ear with a water gun. He ducks. THE MAGIC MIRROR and QUEEN EVE L pop up with a rubber ball - they play catch with each other. KING MAL ICIOUS pops up and joins in. DONALD FLUMP pops up with a small, but bloody bandage on his ear.*

*THE MAGIC MIRROR pops up with a portion of chips. DONALD FLUMP appears, holding a seagull, it attacks THE MAGIC MIRROR. KING MAL ICIOUS and QUEEN EVE L pop up wearing a snorkel.*

*DONALD FLUMP pops up; his wig has disappeared. He only has a wig cap. Blackout. Blue cloth and props are cleared.*

*Lights up on DONALD FLUMP, QUEEN EVE L and KING MAL ICIOUS - who are all dressed as pirates. THE MAGIC MIRROR is dressed as a parrot.*

MIRROR*) Parrot.

THE MAGIC MIRROR

Parrot? Oh, come on!

QUEEN EVE L

Walk this way!  
*They exit.*

## **SCENE 2 – THE COTTAGE**

*Enter SNOW WHITE and the SEVEN SCOUSERS.*

PETUNIA

Good morning, Snow White. How did you sleep?

SNOW WHITE

Really well thanks, Petunia. Do you think Jeff Bezos sleeps naked? Or with pajamazon?

PETUNIA

That was awful, Snow White.

SNOW WHITE

Sorry.

JULIE

Did you know, taller people sleep longer in bed. I'll give you a minute to get the joke. Taller people sleep *longer* in bed.

JOHN

Where do burgers sleep? On a bed of lettuce.

CHANEL

Did you hear about the lady who always goes to sleep on a chandelier? She's a light sleeper.

CHANTELLE

I went to a gig last night and the band's guitarist passed out on stage. He must have rocked himself to sleep.

PETUNIA

I accidentally went to bed with my contact lenses last night. My dreams have never been clearer.

SHANIQUA

I have a condition that makes me eat when I can't sleep. It's called insom-nom-nom-nom-nia.

ANGEL

Sleeping comes so naturally to me. I could do it with my eyes closed.

JOHN

I ate shoe polish and yeast before I went to bed last night.

ALL

Why?

JOHN

So I could rise and shine.

JIMMY

Why did the boy take his bicycle to bed with him? Because he didn't want to sleepwalk

*There's a knock at the door.*

ANGEL

Who could that be?

SNOW WHITE

I don't know... hopefully Bottom!

*Enter DONALD FLUMP and THE MAGIC MIRROR.*

DONALD FLUMP

What should you do if you can't get to sleep? Lie on the edge of the bed; you'll soon drop off.

PETUNIA

Hello. Who are you?

DONALD FLUMP

Why hello ladies. My name is Captain Goldbeard. And this is my parrot, called Parrot. We really should have thought that through a bit more.

THE MAGIC MIRROR

Squawk!

JOHN

What are you doing here? Have you come from the docks?

DONALD FLUMP

That I have. I heard there was a poor girl who needs saving, and I've come to do just that.

*He flexes a muscle - THE MAGIC MIRROR blows up a balloon the colour of DONALD FLUMP's skin, so it looks like he's flexing massive muscles.*

SHANIQUA

Why hello, Captain Goldbeard. You've certainly found the way to my hearrrrt.

CHANEL

Yeah, you really are a charrmer.

PETUNIA

I'm on my pension and even I'm head over heels for you, my knight in shining arrrrmour.

DONALD FLUMP

Ladies, ladies. There's enough of me to go around. There's a lot of you in this cottage. How many exactly?

ANGEL

One.

JOHN

Two.

SHANIQUA

Three.

JULIE

Four.

PETUNIA

Five.

CHANTELLE

Six.

CHANEL

Seven.

*Pause, until...*

JIMMY

Eight.

ALL

Eight?!

CHANEL

I thought something was different!

ANGEL

So did I, but I wasn't sure if I was just still a bit loopy from popworld last night.

JIMMY

Popworld?! You haven't even done your GCSEs.

SHANIQUA

Sorry but this is Snow White and the Seven Scousers. I don't think you can stay here. Sorry, love.

JIMMY

Well, I've been cast as a scouser just like all of you.

CHANTELLE

Who on earth would cast eight scousers?

*They all look at DONALD FLUMP*

DONALD FLUMP

Casting's hard, okay?!

JIMMY

My name's Jimmy, by the way. It's lovely to meet you all.

SNOW WHITE

Hi Jimmy!

*DONALD FLUMP spots SNOW WHITE.*

DONALD FLUMP (CONT'D)

Oh, hello. Do you wanna shiver me timbers?

SNOW WHITE

Hi. You're cute.

DONALD FLUMP

I know.

SNOW WHITE

Girls, could you give us some time alone please?

PETUNIA

Ugh, what a joke! Waltzes in here and steals my man.

*They all exit. Leaving just JOHN and JIMMY.*

SNOW WHITE

You too, John.

JOHN

Oh yes, sorry.

*JOHN leaves. Leaving just JIMMY.*

SNOW WHITE

And you too, please. What was your name again?

JIMMY

Jimmy.

SNOW WHITE

Ah yes, that's the one! Sorry Jimmy!

DONALD FLUMP

So I was- well I- how are- I was just wondering-

SNOW WHITE

Are you okay?

DONALD FLUMP

Yes I'm fine, I just- need a minute. Do you mind?

SNOW WHITE

Of course.

*She exits.*

DONALD FLUMP

Gosh, this acting thing is hard. Pretending to be someone I'm not. I don't know how anyone could ever act on stage with other people (*smile to audience*). What am I going to do? I love Snow White; but I have to kill her. I must impress my family.

**'SHE KNOCKS ME OUT'**

DONALD FLUMP

Okay, this is totally crazy  
Just slow it down and think  
It looks like she's mine, but she isn't  
Just stop and think  
Just stop and think  
She knocks me out  
She ties my tongue in knots  
She knocks me out  
I like her, like her lots  
I've made myself Captain Goldbeard  
Like it's no big deal  
But I'm not real  
So what am I feeling?  
She knocks me out  
With all her quirks and quips  
What's this about?  
She nuzzles and then she nips  
I charm her and I woo her  
That's part of the appeal  
But I'm not real  
I'm not real  
And girl, I thought I knew  
Turns out I need to woo her  
Which is sorta hard to wrap your head around  
I know, but here's the thing:  
The lady starts to sing, and I'm on the floor  
When I hear that song

But, well, hey I lied  
I mean, I lied to her  
I have my pride  
But hey, I lied to her  
I guess she could forgive me  
And learn to deal  
But I'm not real  
I'm not real  
Oh, girl, I thought I knew  
Turns out I need to woo her  
Which is sorta hard to wrap your head around  
I know, but here's the thing:  
The lady starts to sing, and I'm on the floor  
When I hear that song  
When I hear that song  
She knocks me out  
Oh, oh, oh-oh-oh-oh  
She knocks me out  
Oh, oh, oh  
She knocks me out and I'm dyin'  
She knocks me out  
Oh, oh, oh  
Oh-oh-oh, oh-oh, oh-oh  
Oh-oh-oh  
For real!

*SNOW WHITE re-enters.*

SNOW WHITE

Are you okay now?

DONALD FLUMP

Yes, I'm fine, thanks. Those magic canes really boosted my adrenaline.

SNOW WHITE

What are you talking about?

DONALD FLUMP

Nevermind. Could you give us some space please?

*The dancers exit*

SNOW WHITE

Come on, Goldbeard. We have lots to learn about each other!

*They exit. Blackout.*

### **SCENE 3 - THE CASTLE**

*Enter DONALD FLUMP, QUEEN EVE L, KING MAL ICIOUS and THE MAGIC MIRROR. They are all gathered around a cauldron.*

DONALD FLUMP

Mum! Dad! You're gonna be so proud of me... I've only gone and done it! Snow White is in the palm of my hand; she's head over heels for Captain Goldbeard.

QUEEN EVE L

That's brilliant darling, well done!

DONALD FLUMP

The only problem is I still have huge feelings for her.

KING MAL ICIOUS

Well, it's tough. She's a threat to your mother so we must do something.

DONALD FLUMP

You're right. Bros before hose pipes and all that. Time to become truly evil. Now how on earth are we going to kill her...

QUEEN EVE L

I'm not sure... Magic Mirror, any ideas?

THE MAGIC MIRROR

Well according to my calculations, the best thing to do would be to poison her. Last time, the cleaver was too obvious, this is a much subtler way that can't be stopped. Unless there's a boyband of magic pixies who can cast a spell to remove the poison.

*They laugh.*

ALL FOUR

*Foreshadowing.*

*They continue to laugh.*

QUEEN EVE L

Perfect. Now how can we poison her?

THE MAGIC MIRROR

According to her Instagram page she loves apples, Harry Styles and being one with nature.

QUEEN EVE L

Disgusting.

DONALD FLUMP

Harry Styles is way out of budget, unfortunately.

QUEEN EVE L

But an apple isn't... Magic Mirror bring me a pink lady immediately!

THE MAGIC MIRROR

On it, my queen.

*They leave to get an apple.*

QUEEN EVE L

Now to prepare the broth with some truly evil ingredients...

*They gather around the cauldron.*

DONALD FLUMP

First, the vilest sweet to enter my industry... liquorice!

*They all scream in fear; liquorice is added to the cauldron.*

KING MAL ICIOUS

Next... having to put your phone in your locker at the start of the school day!

*They all scream in fear.*

DONALD FLUMP

That is truly evil!

QUEEN EVE L

Mr Sutton, I don't see your notepad?

*She mimes writing down something to him.*

QUEEN EVE L (*Whispering*)

Take notes.

DONALD FLUMP

Next... Maths!

*Lightning and thunder. They are all truly scared.*

KING MAL ICIOUS

I don't know if I can go on - it's getting too scary!

QUEEN EVE L

We must; I must be the fairest in all the land! Quick, what's next?

KING MAL ICIOUS

A toenail from Liz Truss...

DONALD FLUMP

A bogey from Boris Johnson...

KING MAL ICIOUS

And a urine sample from Rishi Sunak!

*They scream in fear.*

QUEEN EVE L

Where did you even get that?

KING MAL ICIOUS

Don't ask. *(Laughs)* No seriously, don't.

*They give it a stir.*

QUEEN EVE L

This is becoming extremely promising, but we just need one more ingredient... something truly evil.

DONALD FLUMP

I know! School roast dinner.

*They scream.*

KING MAL ICIOUS

I think I'm going to pass out. No offence to the kitchen staff.

DONALD FLUMP

No but have you seen the gravy?

*He shudders. Enter THE MAGIC MIRROR with a PINK LADY from Grease.*

THE MAGIC MIRROR

Your Pink Lady, my queen.

PINK LADY

Hi, it's lovely to meet you. How can I help?

QUEEN EVE L

No, not that Pink Lady! It may be a *summer night*, but you are not *the one that I want*.

PINK LADY

Rude! After I got all dressed up and everything?

QUEEN EVE L

Not my fault you're a *beauty school dropout*. You'll just have to *Sandra Dee*-al with it. I wanted an apple. You know? A pink lady apple.

THE MAGIC MIRROR

Oh! Why didn't you say that before...

*They shoo the PINK LADY away, who exits. THE MAGIC MIRROR pulls an apple out of their pocket.*

THE MAGIC MIRROR (CONT'D)

I always carry an apple on me.

QUEEN EVE L

Perfect!

*She snatches the apple and places it in the cauldron.*

QUEEN EVE L (CONT'D)

We've done it! Presenting to you the finest poison apple you ever did see.

*POISON APPLE rises from the cauldron. They all laugh cunningly. Fosse / jazz style number. FEATURED DANCERS enter in red bowler hats. Jazz version of 'Poison'.*

**'POISON'**

POISON APPLE

Girl, I must warn you  
I sense something strange in my mind  
Situation is serious  
Let's cure it 'cause we're running out of time  
It's oh, so beautiful  
Relationships they seem from the start  
But it's all so deadly  
When Donald's not the one in Snow White's heart  
It's drivin' me out of my mind  
That's why it's hard for me to find  
Can't get it out of my head  
Thrill her, pill her, kill her  
That's right I'm poison  
Never trust an apple with a smile  
Yeah, girl I'm poison  
Dance break!  
*Big fosse dance break.*

POISON APPLE (CONT'D)

It's drivin' me out of my mind  
That's why it's hard for me to find  
Can't get it out of my head  
Thrill her, pill her, kill her  
That's right I'm poison  
Never trust an apple with a smile  
Yeah, girl I'm poison  
Hey!  
Woah!

Poison, poison, p-p-p-poison (Hey!)

Poison, poison, p-p-p-poison (Woah!)

Poison, poison, p-p-p-poison (La la la)

Poison, poison, p-p-p-poison

DONALD FLUMP

A pixie boy band, a hero called Bottom and now a singing poison apple with fosse-inspired back-up dancers? Why would you pay to watch this?

POISON APPLE

Um, hello? I didn't hide in that cauldron for five minutes to not be rewarded with the applause I deserve.

*She signals for applause. The four clap.*

POISION APPLE (CONT'D)

Leave.

*The dancers exit.*

POISON APPLE (CONT'D)

Why are you all dressed as pirates?

KING MAL ICIOUS

It's a long story.

QUEEN EVE L

Gosh, I haven't made a poison apple since Westlife were still together... what a thrill! I can't believe it worked! Do you think you have what it takes to kill Snow White?

POISON APPLE

Of course I do. I'm made of poison. Never mess with a powerful woman.

DONALD FLUMP

What do you call a doctor who specializes in Adam's apples? A guyneckologist

QUEEN EVE L

What do you call a person who saw the Apple Store getting robbed? An iWitness.

KING MAL ICIOUS

What's an Egyptian apple pie? The kind mummy used to make.

THE MAGIC MIRROR

What happens when you throw a green apple into the Red Sea? It gets wet

POISON APPLE

Ha. Funny.

THE MAGIC MIRROR

You think so?

POISON APPLE

No.

THE MAGIC MIRROR

Oh, okay, well I could try-

POISON APPLE

Enough with the jokes! Are we doing this or what?

QUEEN EVE L

We are.

*Evil music. Boos. They exit.*

#### **SCENE 4 – THE COTTAGE**

*SNOW WHITE and the SEVEN SCOUSERS are talking.*

CHANTELLE

So, Snow White, tell us about Goldbeard.

ANGEL

Yeah, what did you get up to yesterday?

SNOW WHITE

It was just dreamy! He took me to the Albert Dock; we rented a little swan boat. We were pedalling along the Mersey for hours.

PETUNIA

I did the assault course at the Docks once.

SNOW WHITE

How was it?

PETUNIA

How do you think? I'm nearly 102.

SNOW WHITE

102? Why wasn't that addressed earlier in the plot?

CHANEL

Because she's nearly 102 and thriving.

*They all click their fingers.*

PETUNIA

That's right. I've just been to get my turkey teeth done and I've got a botox appointment next week. Then the week after that I'm getting a BBL.

JIMMY

A BBL?!

SNOW WHITE

Wow. You really are 102 and thriving.

PETUNIA

That's right. I'm a proper scouse prin. Wanna see my new teeth?

*PETUNIA goes to open her mouth. Blackout. A torch shines.*

SNOW WHITE

Wow. They are bright.

ROGER

I think I've gone partially blind.

JOHN

So, do you think Goldbeard is the one?

SNOW WHITE

I don't know, it's too early to tell, but I've never felt this way before!

JULIE

That's a shame, your friend Bottom sounded really nice. It sounded like he really cared for you.

SHANIQUA

Are you sure Goldbeard would care the same?

SNOW WHITE

I'm positive. He's the one for me.

*There's a knock at the door.*

SNOW WHITE (CONT'D)

I'll get it!

*She exits.*

CHANTELLE

Maybe it's just me, but I've got a bad feeling about this Captain Goldbeard.

SHANIQUA

Yeah, something's not right... what do you think boys and girls? Can we trust Captain Goldbeard? (No)

JIMMY

What do the audience know? Maybe he's a nice guy. Let's give him a chance. We've only known him for two minutes.

CHANEL

Yeah, but we've also only known you for two minutes.

JIMMY

Exactly. So, give us both a chance, please?

*SNOW WHITE re-enters, with DONALD FLUMP, QUEEN EVE L, KING MAL ICIIOUS and THE MAGIC MIRROR.*

SNOW WHITE

Everyone, meet Silverbeard and Nobeard, Goldbeard's mum and dad!

QUEEN EVE L

Hi all, this is a lovely little place you've got.

KING MAL ICIIOUS

Yeah, it's *wicked*!

JULIE

Ta love. It's nice to have you here.

KING MAL ICIIOUS

There's so many of you as well! In fact, how many are there exactly?

DONALD FLUMP

Oh god.

ANGEL

One.

JOHN

Two.

SHANIQUA

Three.

JULIE

Four.

PETUNIA

Five.

CHANTELLE

Six.

CHANEL

Seven.

JIMMY

Eight.

*Pause, until...*

ROGER

Nine.

ALL

Nine?!

DONALD FLUMP

Casting was really hard this year!

CHANEL

I understand casting was hard, but I'm getting concerned because how are we not noticing these extra people?

SHANIQUA

Let me guess, you got told you were going to be one of the seven scousers too?

ROGER

Yes. I'm Roger by the way, it's lovely to meet you all.

PETUNIA

Snow White and the Seven Scousers? More like seven-ish scousers.

ROGER

Why was 6 afraid of 7?

JOHN

Because 7 8 9. Wow, haven't heard that one before.

ROGER

Alright! No need to be mean.

THE MAGIC MIRROR

Squawk!

SNOW WHITE

What does Parrot want?

QUEEN EVE L

I think he wants my handsome boy to give you a special present. Remember, Goldbeard?

DONALD FLUMP

Oh yes, how could I possibly forget... I know they're your favourite...

*Enter POISON APPLE, holding an apple.*

SNOW WHITE

A pink lady apple? Oh, you know me so well already! It's like I've known you for years!

PETUNIA

You know who you've really known for years... Bottom.

SNOW WHITE

Petunia, cut it out.

PETUNIA

What do you think boys and girls, should Snow White eat the apple? (No)

SNOW WHITE

What do you guys know about love anyway?! I know who my heart is calling for.

QUEEN EVE L

Good for you Snow White, ignore these scouse hooligans.

ANGEL

Scouse hooligans?!

CHANEL

Are you messing?

CHANTELLE

I'm about to punch you so hard you end up in the Wirral.

SNOW WHITE

Girls, please. Calm down.

ALL SCOUSERS

Calm down?

KING MAL ICIOUS (*mimicking*)

Calm down, calm down. Oh, come on Snow White, you can come and live with us now that you've found your soulmate.

SNOW WHITE

Okay, sounds good!

QUEEN EVE L

Now, eat your apple! They're best fresh

JIMMY

That's weird.

KYLIE

And concerning.

*POISON APPLE hands her an apple, she bites into it.*

SNOW WHITE

I don't feel so good.

*SNOW WHITE immediately drops to the floor. Lightning strikes.  
ALL FIVE laugh and high five. There's a knock at the door.*

QUEEN EVE L

I wonder who that is?

*Enter BOTTOM.*

QUEEN EVE L (CONT'D)

Perfect timing!

DONALD FLUMP

Ah, Bottom. We meet again. Guess who's on top now? (Hint: It's not you)

BOTTOM

What have you done? What's happened to Snow White?

*He runs over to SNOW WHITE to try and help.*

JULIE

She's been poisoned! By Goldbeard, Silverbeard and Nobear.

BOTTOM

Goldbeard? You said we've met before. I don't know a Goldbeard.

DONALD FLUMP

Did I? I must be getting confused... Bottom is a very popular name.

BOTTOM

No, it's not... and neither is...

*He pulls his pirate hat off to reveal DONALD FLUMP's hair.*

BOTTOM (CONT'D)

Donald Flump!

SHANIQUA

I knew he was trouble!

JOHN

You're the one who tried to kill Snow White!

DONALD FLUMP

Yes, and I have with the help of my mum and dad!

THE MAGIC MIRROR

And me!

DONALD FLUMP

Snow White is dead and there's nothing you can do about it! Sweet dreams, Snow White... forever! Mwhahahahaha!

NANA WHITE

How dare you? You no good, bin dipping bully!

QUEEN EVE L

Well, I guess we best be off. Looks like the scousers are getting aggy. Goodbye Snow White, sweet dreams.

*They all exit and laugh. Boos.*

POISON APPLE

I don't know if you guys noticed but I am the apple. Like literally, the apple. How cool!

*She exits.*

BOTTOM

Oh, Snow White, if only there was something I could do.

NANA WHITE

The one man who truly loved her arrived just seconds too late.

JOHN

Truly tragic.

*Twinkles. Enter WAND DIRECTION.*

ELFIS PRESLEY

We came as soon as we heard!

PIC-Z

We know how to help!

CHANEL

Hooray! This could save Snow White!

JOHN

Well, you know what they say... moments of tragedy are interlinked with moments of happiness, isn't that right, Mrs Wright?

BOTTOM

Wait, who are you?

PIC-Z

We're Wand Direction! We literally met at the end of Act 1?

BOTTOM

Oh yes, I remember! How can you help Snow White?

JUSTIN TINKERLAKE

Well, I hate to get all scientific, but I'm going to. Poison Apple, bring in the clipboard!

*POISON APPLE enters with a diagram of a body.*

POISON APPLE

It would be my honour! More stage time for me!

CHARLIE POOF

Poison Apple-

POISON APPLE

That's me!

CHARLIE POOF

Is currently in Snow White's stomach (*he points*), yet it will take her 40 minutes to digest the apple properly.

BOTTOM

So, what are you trying to say? Snow White hasn't been poisoned yet?

PIC-Z

Technically, no. The poison won't work fully for another 37 minutes time.

GARY STARLOW

36 now.

ELFIS PRESLEY

I don't think that's exactly how it works. Is anyone from the science department able to confirm?

PIC-Z

Oh, be quiet! This is a panto; our princess can't just die on us. If we make it up, we make it up.

BOTTOM

So how are we supposed to get rid of the apple from Snow White's stomach?

POISON APPLE

Easy. All Wand Direction have to do is use their magic powers to blow me up into smithereens. That will erase me from Snow White's stomach and stop her from being poisoned.

NANA WHITE

She won't be poisoned, but will she be okay?

POISON APPLE

Yes. She'll be in a deep, peaceful sleep.

BOTTOM

Well, how does she wake up from her deep sleep? Naturally?

POISON APPLE

Naturally? Do you think we've got all day? This is a panto. She can be awoken from her deep sleep with a true love's kiss, obviously.

CHANEL

Perfect! I'm sure we can find one of them, can't we, Bottom?

BOTTOM

Yep! Now all we need to do is blow up the human apple.

POISON APPLE

Don't worry, mum, I'm not really going to be blown up into smithereens. It *is* just a pantomime after all.

JUSTIN TINKERLAKE

Okay then, Poison Apple. I must ask you to enter the demolition zone.

CHARLIE POOF

Conveniently, this is offstage.

NANA SMITH

Keeping it PG! I like it.

*POISON APPLE exits, taking the diagram with her.*

WAND DIRECTION

Abacadabra, abracadee, blow this apple up for me!

*Explosion. Red confetti drops from the balcony.*

BOTTOM

Oh wow, you weren't joking.

GARY STARLOW

Nope! Goodbye Poison Apple!

PETUNIA

What an awesome part! I wish I could do that! I love you, Poison Apple!

CHANTELLE

Hold on. Now that the poison apple has been destroyed, that means Snow White is just in a deep sleep?

CHARLIE POOF

Correct.

KYLIE

So all someone needs to do is give Snow White a true love's kiss?

JUSTIN TINKERLAKE

Yep. Did you all turn off for the last three minutes? I'm pretty sure we just explained this.

JIMMY

Clearly, you're about as engaging as an RE lesson last thing on a Thursday.

CHANTELLE

Well? What are you waiting for Bottom? Give her a smooch.

BOTTOM

I'm worried. What if we don't have a true connection! What do you think boys and girls, should I kiss her? (Yes) Okay, here goes nothing.

*He kisses her. SNOW WHITE wakes up.*

SNOW WHITE

What happened?

CHARLIE POOF

You were poisoned by Donald Flump, so we killed a human apple  
and then Bottom snogged you back to life!

NANA SMITH

Seriously, what have you paid to watch?

SNOW WHITE

Bottom? You saved me?

BOTTOM

Yeah, but with the help of Wand Direction.

JOHN

And the seven scousers!

BOTTOM

And the seven scousers.

JIMMY

Eight, actually.

ROGER

Nine, actually!

KYLIE

Ten, actually!

ALL

Ten?

JULIE

What is going on?!

KYLIE

I'm Kylie. I got told I was playing one of the seven scousers?

JIMMY

All ten of us did!

JOHN

Sorry, and the now ten scousers.

BOTTOM

And the ten scousers.

NANA WHITE

And Nana White!

BOTTOM

And Nana Wh- did you actually do anything?

NANA WHITE

I'm 83, give me a break.

SNOW WHITE

Thank you everyone. You saved my life! I'm so sorry I had to run away.

BOTTOM

Don't apologise! It's not your fault you're to die for.

ANGEL

Oo... romantic!

*BOTTOM gets down on one knee.*

BOTTOM

I don't want to waste another minute! Snow White, will you marry me?

SNOW WHITE

Yes, a thousand times yes!

*Cheers.*

**'WHAT MAKES YOU BEAUTIFUL'**

BOTTOM

You're insecure

Don't know what for

You're turning heads when you walk through the door

Don't need make-up

To cover up

Being the way that you are is enough

Everyone else in the room can see it  
Everyone else but you  
Baby you light up my world like nobody else  
The way that you flip your hair gets me overwhelmed  
But when you smile at the ground it ain't hard to tell  
You don't know-oh-oh  
You don't know you're beautiful  
If only you saw what I can see  
You'd understand why I want you so desperately  
Right now I'm looking at you and I can't believe  
You don't know-oh-oh  
You don't know you're beautiful, oh, oh  
That's what makes you beautiful

ELFIS PRESLEY

So c-come on  
You got it wrong

PIC-Z

To prove I'm right  
I put it in a song

CHARLIE POOF

I don't know why  
You're being shy

JUSTIN TINKERLAKE

And turn away when I look into your  
Eye-eye-eyes

GARY STARLOW

Everyone else in the room can see it  
Everyone else but you

BOTTOM, WAND DIRECTION

Baby you light up my world like nobody else

You don't know you're beautiful, oh, oh

BOTTOM

That's what makes you beautiful

ALL

Nana nana nana nana  
Nana nana nana nana  
Nana nana nana nana

SNOW WHITE

Baby you light up my world like nobody else  
The way that you flip your hair gets me overwhelmed  
But when you smile at the ground it ain't hard to tell  
You don't know-oh-oh  
You don't know you're beautiful

You don't know you're beautiful, oh, oh  
That's what makes you beautiful

ELFIS PRESLEY

Snow White and Bottom are finally together! Hooray!

PIC-Z

It's almost a happy ending... but first, justice must be served.  
Get back here you four!

*QUEEN EVE L, KING MAL ICIOUS, DONALD FLUMP and THE MAGIC MIRROR re-enter.*

GARY STARLOW

We need to do one more spell to turn these villains good. Will you help us boys and girls? (Yes)

CHARLIE POOF

Get your magic fingers out! How cringe!

JUSTIN TINKERLAKE

After three, we're going to say 'abracadabra, abracadee, make these villains good for me'. Are we ready? (Yes) One, two, three!

ALL FIVE

Abracadabra, abracadee, make these villains good for me.

*Twinkle. The FOUR VILLAINS are changed.*

DONALD FLUMP

Isn't it a gorgeous day?

THE MAGIC MIRROR

The sun is shining, the birds are tweeting... I've never felt happier.

QUEEN EVE L

Once this is over, let's all go on a walk in the forest so we can be one with nature.

KING MAL ICIOUS

Sounds good! And then when we get home, we'll book a retreat to North Wales - a weekend packed with meditation, tranquillity and kale smoothies.

*They all smile.*

GARY STARLOW

It worked! Thanks boys and girls!

NANA WHITE

Snow White and Bottom are happy, the evil people are now good, the scousers are still... scouse and ever-expanding. But what about me? I'm desperate for a hunk that I can call my own. (Awh) Oh, it's sadder than that! (Awh) Alright, it's not that sad.

*Music plays. Enter AMORE.*

NANA WHITE (CONT'D)

Wh- wh- what's going on? Is this Naked Attraction?

AMORE

No! Don't give SLT a heart attack! I'm Amore and you're watching Too Hot To Handle! Tonight, our very own Nana White is about to find her hubby to be. We'll introduce you to three men and we'll send you home with your favourite one.

NANA WHITE

Oh, how exciting! My prayers have been answered!

*Enter PRINCE CHARMING*

AMORE

Up first, he's handsome, friendly and, quite literally, Charming. In his free time, our first contestant loves nothing more than shoe shopping and stalking girls who left their shoe at his house. Could Prince Charming be a match for you?

NANA WHITE

Oh no, that's so last year.

PRINCE CHARMING

Please, Nana White? Your feet are massive so I could find your shoe pretty easily.

NANA WHITE

Nah, I'm sure. Swipe left.

PRINCE CHARMING

But you mean everything to me!

*Rejection sound effect. PRINCE CHARMING exits. Enter PETER PAN.*

AMORE

Our next contestant is daring, feisty and young at heart.

NANA WHITE

That sounds like my type of guy.

PETER PAN

Why thank you. I feel like I'm not a day over 14.

NANA WHITE

Oh god. I'm 83... bit of a jump.

AMORE

In his free time, our next contestant loves nothing more than fighting pirates and playing make-believe. Is this something you and Peter Pan would be interested in?

NANA WHITE

Definitely not. The age gap is too much.

PETER PAN

Are you sure? I'm actually 27, I just don't like to admit it.

NANA WHITE

Yes, I'm sure. Swipe left.

*Rejection sound effect. PETER PAN exits. Enter BEAST.*

AMORE

Our final contestant has sharp claws, piercing fangs and is hairy all over.

NANA WHITE

Ding dong.

AMORE

In his free time, our next contestant loves nothing more than regretting his life choices and hoping that some damsel in distress will give him a kiss of true love to break his curse.

NANA WHITE

I'm getting déjà vu. Not sure why as I wasn't in that one.

BEAST

Me too. Yet I still feel like it's 2024 all over again.

AMORE

Do you think you two could make a *beast* of a couple?

BEAST

Once you break the curse, fight a pack of wolves and kill a muscly man, I'm really no trouble.

NANA WHITE

Nah. Too much work. I'll leave it for someone younger to fix.

*Rejection sound. BEAST exits.*

AMORE

Unfortunately, that's all we have time for today.

NANA WHITE

Will I ever find the perfect match?

DONALD FLUMP

Yes, Nana White, never lose hope.

*He produces a chocolate rose.*

NANA WHITE

A chocolate rose? Donald, what are you trying to say?

DONALD FLUMP

I'm saying I want you, Nana White. I really, really want you.

SNOW WHITE

But I thought you wanted me?-

DONALD FLUMP

Forget about that part. Nana White, you and me are like rhubarb and custard - we go great together.

NANA WHITE

Donald. I- I- don't know what to say... you light up something in me that hasn't ever been lit up before! I'm a changed woman!

*Music plays. NANA WHITE's old lady gown is ripped off to reveal some sort of sparkly / loud outfit.*

**'HOT STUFF'**

NANA WHITE

Sittin' here eatin' my heart out waitin'  
Waitin' for some lover to call  
Dialed about a thousand numbers lately

DONALD FLUMP

AMORE

It's a match! They've both swiped right! Thanks for watching  
Too Hot To Handle. I've been Amore, and I'm going to leave  
before it gets steamy. Goodnight!

NANA WHITE

Wow! That was electric! Come on Donald Flump, we don't have  
time to waste!

*Hot Stuff payout. NANA WHITE and DONALD FLUMP exit.*

SNOW WHITE

I suppose we best be off too, we have a wedding to prepare  
for!

*Everyone exits, leaving just WAND DIRECTION.*

ELFIS PRESLEY

Gosh, there's nothing better than a bit of panto magic! The romance, the music, all of you lot. I don't know what I'd do without it.

PIC-Z

Have you ever thought about what you'd do if you weren't in panto?

CHARLIE POOF

I haven't to be honest...

*They exit. Enter SNOW WHITE dressed as a ballerina.*

MARRIAGE OFFICIANT

Please be upstanding for the bride and groom!

*Enter SNOW WHITE and BOTTOM*

KING MAL ICIOUS

That dress is incredible!

ELFIS PRESLEY

She's been wearing it the entire show.

GARY STARLOW

Doesn't she look brilliant?!

QUEEN EVE L

Wow, she really is the fairest of them all!

THE MAGIC MIRROR

I told you; the mirror never lies.

BOTTOM

Remind me why we invited your murderer to our wedding?

SNOW WHITE

He's good now, and so is the rest of the family. Plus, he's with my grandma so I don't have much choice.

NANA WHITE

I've never been happier! Congratulations, you look so beautiful Snow White.

PIC-Z

You look very handsome too, Bottom.

BOTTOM

Thank you - and thanks for all the back-up vocals!

JUSTIN TINKERLAKE

Back-up vocals? Is that all we are to you? Jokes!

MARRIAGE OFFICIANT

We are gathered here today for the wedding of Snow White and-

CHARLIE POOF

I need the toilet!

ELFIS PRESLEY

Not again! It'll have to wait. Sit down.

*He sits down.*

MARRIAGE OFFICIANT

We are gathered here today for the wedding of Snow White and Bottom. Bottom, do you take Snow White to be your wife?

BOTTOM

I do.

MARRIAGE OFFICIANT

And Snow White, do you take Bottom to be your husband?

SNOW WHITE

I do.

MARRIAGE OFFICIANT

Then, by the power invested in me, I pronounce you two husband and wife.

JUSTIN TINKERLAKE

Alright! It's not that sad.

CHARLIE POOF

It is pretty sad though.

ELFIS PRESLEY

Alright! No need for an argument! Can we get on with the rhyming couplets please?

POISON APPLE

Donald and family are no longer mean,  
Liverpool now has a nicer king and queen.

DONALD FLUMP

See?! In the end I turned out alright!  
The future looks good for me and Nana White

BOTTOM

I'm married at last, with the love of my life,  
I'm the luckiest man alive with you as my wife.

We'll finish up with our finale song!

**'HAPPY'**

**'CROCODILE ROCK'**

DONALD FLUMP

I remember when rock was young  
Me and Susie had so much fun  
Holding hands and skimming stones  
Had an old gold Chevy and a place of my own  
But the biggest kick I ever got  
Was doing a thing called the Crocodile Rock  
While the other kids were rocking 'round the clock  
We were hopping and bopping to the Crocodile Rock  
Well, Crocodile Rocking is something shocking  
When your feet just can't keep still  
I never knew me a better time, and I guess I never will  
Oh, lawdy mama, those Friday nights  
When Susie wore her dresses tight  
And the Crocodile Rocking was out of sight
